The ETS Judge's Guide to Scoring Obstacle Attempts

Note: Pluses (+) awarded with Judge Discretion

SCORING: In your mind, rate the overall performance of the obstacle compared to your vision of the 'perfect' performance:
Score horse & rider equally if they contributed equally to the results.
Adjust horse & rider scores up or down as appropriate to their contribution to the overall obstacle rating. In the majority of cases, there will not be more than 2 numbers between horse and rider scores.
